Dear Jim Woollet

The report of the Nadcap accreditation audit of your facility on April 20 - April 23, 2010 has been approved for Nadcap accreditation. Nadcap accreditation entitles your organization to appear in the Qualified Manufacturers List (QML). Accordingly, we have enclosed your certificate(s) of accreditation/compliance, scope of accreditation and a logo sheet with a description on the uses of the PRI Mark of Conformity. Please note that your certificate has no expiration date. All customers are directed to the Online QML at www.eAuditNet.com for relevant accreditation dates and information. You will not receive an updated certificate following any future reaccreditation audits.

****Note that if any changes occur within your company (i.e., ownership, key managerial staff, equipment, company name, quality manager, address, etc.) that may affect your capability or scope of accredited activities, you are required to notify PRI Staff immediately by completing the "Notification of Change/Request for Revised Certification" form located in eAuditNet.com/Resources/Public Documents/General Documents.**

We would like to congratulate you on your achievement in meeting the stringent requirements of Nadcap accreditation. If you have any questions concerning the Nadcap Process, please contact PRI Headquarters at +1 (724)772-1616.
